

EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

Throughout all learning, the Reception Team will ensure activities and interactions which support the Characteristics of Learning:		<p>Playing and Exploring – Engagement: Finding out and exploring; Playing with what they know; Being willing to 'have a go'</p> <p>Active Learning – Motivation: Being involved and concentrating; Keeping trying; Enjoying achieving what they set out to do</p> <p>Creating and Thinking Critically – thinking ; Having their own ideas; Making links; Choosing ways to do things</p>				
Subject Area	Autumn		Spring		Summer	Schemes used
Themes	Ourselves, Superheroes Harvest Diwali Bonfire night Christmas Space/The world		People who help us Chinese new Year Polar regions Explorers		Our school and village. What lies beneath.	
	Term 1		Term 2		Term 3	
Personal, Social, & Emotional Development (PSED)	<p>ELG Self-Regulation Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. Following instructions involving several ideas or actions: putting away our belongings, learning which colour group/team they are in. (Learning Superheroes) Being brave. My Feelings</p>	<p>ELG Self-Regulation Identify and moderate their own feelings socially and Emotionally (Team days/Nativity). Express their feelings and consider the feelings of others. (Learning Superheroes) My Feelings Firelighting/Fire safety. Visit to Rocklands Post Office</p>	<p>ELG Self-Regulation - Talk with others to solve conflicts. Become more independent with their learning, learning strategies to help themselves. (Learning Superheroes) New Year's Resolutions-Say what matters to them or is of value</p>	<p>ELG Self-Regulation Show resilience and perseverance in the face of challenge (Independent writing/Dance Show Bewilderwood Trip). Learn strategies that help us to regulate our emotions. (Learning Superheroes) Handling/caring for ducklings/chicks</p>	<p>ELG Self-Regulation Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate. Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions. (Sports Day/Teddy Bears Picnic/School Trip to Castle museum) (Transition) All Saints Church Visit.</p>	RSE Solutions Islington You- Me - PSHE
	<p>ELG: Managing Self Become more outgoing with unfamiliar people and show more confidence in new social situations. Be increasingly independent in meeting their own care needs eg using the toilet, washing and drying hands thoroughly. My Feelings Healthy Eating Handwashing</p>	<p>ELG: Managing Self Increasingly follow rules without adult reminders and understand why they are important. Able to dress/undress independently. Learn how to use a knife and fork. The Firework Code Visit to Rocklands Post Office First Aid Champions –Calling 999</p>	<p>ELG: Managing Self See themselves as a valuable individual. Select and use activities and resources to achieve a goal (with help when needed). Know and talk about different factors that support their overall health and wellbeing-</p>	<p>ELG: Managing Self Shows understanding that good practices with regards to exercise, eating, drinking can contribute to good health. Show resilience and perseverance in the face of challenge. Know and talk about different factors that support their overall</p>	<p>ELG: Managing Self Learn to recognise their likes/dislikes and feel empowered to make real, informed choices. Understand my rights and responsibilities and learn about the concept of privacy. Be confident to try new activities and show independence, resilience and perseverance in the face of challenge. Explain the reasons for rules, know right from wrong and try to behave accordingly. Manage their own basic hygiene and personal needs, including dressing, going</p>	

EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

				health and wellbeing; being a safe pedestrian-Benjamin and Bethany bear	to the toilet and understanding the importance of healthy food choices (Sports Day/Teddy Bears Picnic/School Trip)	
	<p>ELG: Building Relationships Play with one or more other children, extending and elaborating play ideas. Develop their sense of responsibility and membership of a community (People Who Help Us/People Who are special to us)</p>	<p>ELG: Building Relationships Begin to understand how others may feel. Express their feelings and consider the feelings of others. Identify special people in our lives, what makes them special, and how special people care for one another Learn about charity and helping others (Children in Need).</p>	<p>ELG: Building Relationships Help to find solutions to conflicts and rivalries. Build constructive and respectful relationships.</p>	<p>ELG: Building Relationships Recognise that there are similarities and differences between everyone and celebrate this. Handling/caring for animals Mother's Day</p>	<p>ELG: Building Relationships Work and play cooperatively and take turns with others. Form positive attachments to adults and friendships with peers; Show sensitivity to their own and to others' needs. Father's Day (Transition)</p>	
Physical Development (PD)	<p>ELG Fine Motor Skills Show a preference for a dominant hand. Use one-handed tools and equipment, ie, making snips in paper with scissors.</p>	<p>ELG Fine Motor Skills Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Tying clove hitch Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons.</p>	<p>ELG Fine Motor Skills Use a comfortable grip with good control when holding pens and pencils. Using secateurs/loppers safely</p>	<p>ELG Fine Motor Skills Develop the foundations of a handwriting style which is fast, accurate and efficient. Using a saw safely</p>	<p>ELG Fine Motor Skills Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases. Use a range of small tools, including scissors, paint brushes and cutlery. Begin to show accuracy and care when drawing. Using a hammer safely</p>	
	<p>ELG Gross Motor Skills Start to eat independently and learning how to use a knife and fork. Develop skills they need to manage school day successfully: lining up and queuing; mealtimes; personal hygiene. Develop their core strength to achieve a good posture when sitting at a table or on the floor.</p>	<p>ELG Gross Motor Skills Revise and refine fundamental movement skills they have already acquired: rolling; crawling; walking; jumping; running; hopping; skipping and climbing. Know and talk about different factors that support their overall health and wellbeing;</p>	<p>ELG Gross Motor Skills Know and talk about different factors that support their overall health and wellbeing; regular physical activity; healthy eating; toothbrushing (Visit from School dentist); Confidently and safely use a range of large and small apparatus</p>	<p>ELG Gross Motor Skills Develop overall body strength, coordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming. Tossing pancakes Egg</p>	<p>ELG Gross Motor Skills Know and talk about different factors that support their overall health and wellbeing; sensible amounts of screen time; good sleep routine; Further develop and refine a range of ball skills including, throwing, catching, kicking, passing, batting and aiming. Negotiate space and obstacles safely, with consideration for themselves and others. Demonstrate strength, balance and coordination when playing.</p>	

EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

	<p>Handwashing Using a hammock safely Real PE: Foundation/Yr1 Unit 1&2 Complete PE: Foundation: Locomotion – Walking 1 & jumping 1 Year 1: Locomotion / Team building</p>	<p>being a safe pedestrian (Post Office Walk) The Firework Code Using a rope swing safely. EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

	<p>ELG Word Reading Phonics Sounds Write Units 1 & 2</p> <p>Understand the five key concepts about print: Print has meaning; Print can have different purposes; we read English text from left to right and top to bottom; name of different parts of a book; page sequencing. Develop phonological awareness to spot and suggest rhymes, count or clap syllables in a word</p>	<p>ELG Word Reading Phonics Sounds Write Units 3, 4, 5 & 7</p> <p>Read individual letters by saying sounds for them. Blend sounds into words, so they can read short words made up of known letter- sound correspondences. Read a few common exception words. Role play words</p>	<p>ELG Word Reading Phonics Sounds Write Units 6, 11 & additional digraphs and trigraphs.</p> <p>Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words. Read some letter groups that represent one sound. Reading instructions</p>	<p>ELG Word Reading Phonics Digraphs/trigraphs</p> <p>Read common exception words matched to school scheme. Read some letter groups that represent one sound. Re-read books to build up confidence in word reading, their fluency and their understanding and enjoyment. World Book Day. Reading story-telling vocabulary.</p>	<p>ELG Word Reading Phonics Sounds Write Units 8-10/polysyllabic words. Reception Bridging unit</p> <p>Say a sound for each letter in the alphabet and at least 10 digraphs. Read words consistent with their phonic knowledge by sound-blending. Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words. Reading questions.</p>	<p>Sounds Write</p>
	<p>ELG Comprehension Ask questions about the book. Make comments and share their own ideas. Develop play around favourite stories using props. Rhyming strings Retelling Rosie's Walk And where oh where is Rosie's Chick?</p>	<p>ELG Comprehension Engage in extended conversations about stories, learning new vocabulary. Bonfire Night poetry Retelling Supertato</p>	<p>ELG Comprehension Talk about and explain their understanding of stories they have read and/or are read to them. Make predictions about what might happen next. Retelling Lost and found. Story Innovation</p>	<p>ELG Comprehension Develop an understanding of story-telling vocabulary, what characters, setting, events are. Talk about why things happen, how characters might feel, how things could have happened differently. Retelling How to wash a Woolly Mammoth, Innovating instructions.</p>	<p>ELG Comprehension Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. Anticipate – where appropriate – key events in stories. Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play. Learn about alliteration-giant's speech. Retelling The Little Red Hen Retelling The Fish that could wish. Story Innovation Poetry</p>	<p>Pie Corbett-Talk for Writing Sounds Write</p>
	<p>ELG Writing Write some or all of their name. Write some letters accurately. Sounds Write Units 1 & 2: Form lower-case letters correctly. Spell words by identifying the sounds and then writing the</p>	<p>ELG Writing Sounds Write Units 3, 4, 5 & 7: Form lower-case letters correctly. Spell words by identifying the sounds and then writing the sound with letter/s. Name writing Hot Task: Labelling Story Map for Supertato</p>	<p>ELG Writing Sounds Write Units 6, 11 & additional digraphs and trigraphs: Spell words by identifying the sounds and then writing the sound with letter/s. Write short sentences</p>	<p>ELG Writing Digraphs/trigraphs: Write short sentences with words with known sound-letter correspondences using a capital letter and full stop. Re-read what they have written to check that it makes</p>	<p>ELG Writing Write longer sentences and stories with words with known sound-letter correspondences and some common exception words, using a capital letter and full stop. Re-read what they have written to check that it makes sense. Write recognisable letters, most of which are correctly formed.</p>	<p>Pie Corbett-Talk for Writing Sounds Write</p>

EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

	<p>sound with letter/s. Name writing Hot Task: Sequencing Rosie's Walk-Story Map. Retelling Rosie's Walk/Where oh Where is Rosie's Chick? Hot task - draw a story</p>	<p>Retelling Supertato Shared writing of a Bonfire Night Poem. Letter to Santa Labelling models Hot task -draw a story</p>	<p>with words with known sound-letter correspondences using a capital letter and full stop. Spell some common exception words. Form capital letters correctly. Writing a list of Chinese New Year animals. Retelling The Baby Mouse Sentence writing: Lost and found Labelling police car/fire engine Hot Task: writing a own lost and found story.</p>	<p>sense. Form capital letters correctly. Spell some common exception words. Making pancakes instructions. Label a diagram of an animal. Labelling a woolly mammoth Writing a list of the things we see in Spring. Sentence writing: animals. Hot Task: instructions of how to wash a...?.</p>	<p>Spell words by identifying sounds in them and representing the sounds with a letter or letters. Write simple phrases and sentences that can be read by others. Letter writing-Apology letter to the giant. Hot Task: writing The little Red Hen Writing a fact file about ships Hot Task: writing an innovated fish that could wish story.</p>	
Mathematics	<p>Number and Place Value- Numbers to 5 Number and Place Value- Comparing Groups within 5 Properties of shape-2D/3D shape Addition and Subtraction- Change within 5 Addition and Subtraction- Number bonds within 5</p>	<p>Number and Place Value- numbers to 10 Number and Place Value- comparing numbers within 10 Addition and Subtraction- Addition to 10 Number and Place Value- measure Addition and Subtraction- number bonds to 10 Addition and Subtraction- Subtraction Properties of shape-Exploring patterns</p>	<p>Addition and Subtraction- Count on and back Number and Place Value- numbers to 20 Multiplication and Division- Numerical Patterns Number and Place Value - measure Addition and Subtraction-writing number sentences, Measurement-Time</p>	Power Maths		
	<p>ELG Number Develop fast recognition of up to 3 objects, without having to count them (subitising). Show 'finger numbers' up to 5. Link numerals and amounts, eg, showing correct number of objects to match numeral 5. They will begin to recognise different representations of numbers up to 5, such as those shown in a five frame, dice and to understand that even if the order or arrangement changes the number stays the same. Use part-whole models to represent two groups and the bonds to 5.</p>	<p>ELG Number Begin to subitise (recognise quantities without counting) up to 5. Explore the composition of numbers to 10. Experiment with their own symbols and marks as well as numerals. Represent numbers using concrete and pictorial representations Explore the concept of addition as the combining of two parts into a whole using the vocabulary of altogether. . Using ten frame and counters, and the part whole model to explore the concept of number bonds to 10. Begin to work with subtraction number bonds, following the missing part structure</p>	<p>ELG Number Explore addition and subtraction through counting on and counting back using a number track. Explore numbers from 10-20. Have a deep understanding of number to 10, including the composition of each number; Subitise (recognise quantities without counting) up to 5; - Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.</p>	Power Maths		

EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

	<p>ELG Numerical Patterns Recite numbers past 5 and in order to 10. Say one number for each item in order: 1, 2, 3, 4, 5. Know that last number reached when counting a small set of objects tells you how many there are in total (cardinal principle). Count objects, actions and sounds, reciting the numbers in order and matching one number name for each item. Compare quantities using language: 'more than', 'fewer than'. Compare objects: length & size. Talk about and explore 2D and 3D shapes using information language such as: sides, corners, straight, flat, round. Learn how to find one more and one less than a number within 5 in the context of a first, then, now story. Talk about patterns in environment and continue copy and create repeating patterns</p>	<p>ELG Numerical Patterns Count verbally beyond 20. Understand the 'one more/one less than' relationship between consecutive numbers to 10 Positional language: describe a familiar route, using words such as 'in front of' and 'behind'. Compare numbers using appropriate vocabulary such as 'more than' 'less than', 'equal to'. Identify more or less than a number up to 10, exploring the concept of addition by combining two groups of objects and of subtraction as the difference between two amounts. Talk about patterns in environment and continue copy and create repeating patterns. Select, rotate and manipulate shapes in order to develop spatial reasoning skills. Compose and decompose shapes to show shapes can be made up of smaller shapes. Compare height.</p>	<p>ELG Numerical Patterns Verbally count beyond 20, recognising the pattern of the counting system; - Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally. Compare weight, volume and capacity.</p>	<p>Power Maths</p>
<p>Understanding the World</p>	<p>ELG Past and Present Begin to make sense of their own life story and family's history. Comment on images of familiar situations in the past. Talk about members of their immediate family and community. Name and describe people who are familiar to them. (Birthdays – significant dates, how do we celebrate? How are birthdays celebrated around the world?) (People Who Help Us/People Who are special to us) Recognise some ways in which the internet can be used to communicate. Use everyday technology devices. Explore on screen activities – by clicking cause and effect, explore digital art. Compare and contrast characters from stories including figures from the past: Guy Fawkes-The Gunpowder Plot/Christopher Columbus/Neil Armstrong Remembrance Day</p>	<p>ELG Past and Present Compare and contrast characters from stories including figures from the past: Scott of the Antarctic. Talk about the lives of the people around them and their roles in society. People Who Help Us-visit from PC London & Fire Outreach service. Talking about how we each celebrated Christmas/holidays. Talking about our parents jobs. Compare and contrast characters from stories including figures from the past: Explore on screen activities – by clicking cause and effect, creating media Children begin to understand the particular purposes technology can be used for and that by adding text and images you can communicate with technology. Find the letters in name on a computer keyboard and type name Move the mouse with some control to point and click Use the mouse to click and drag Right click using the mouse and uses the mouse pad on a laptop. Mother's Day</p>	<p>ELG Past and Present PAST AND Present Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling. Identify rules that help keep people safe and healthy in and beyond the home when using technology. Talking about how we each celebrated Easter/holidays. Fact file about ships. Learn about ships in the past - visit to the HMS Gloucester's exhibition in the Castle Museum. Use the internet for research. Control devices (beebots) Use technology to create music Father's Day</p>	

EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

	<p>ELG People, Culture and Communities Continue developing positive attitudes about the differences between people. Understand that some places are special to members of their community –The Church (Talk about some aspects of a religious or belief story- Nativity/God/Jesus). Recreate religious and belief stories through small world play. Recognise that people have different beliefs and celebrate special times in different ways. Harvest Festival/Harvest Festivals Around the World. Children in Need-Charity Diwali Where in the world am I? Investigate maps- (Whiteboard globe/globe/atlas/world maps). Draw information from a simple map. Using a programmable toy – learn to control using buttons. Recognise some environments that are different from the one in which they live -where is the edge of the universe? Space role play, recreation of Neil Armstrong’s trip to the moon Recognise some similarities and differences between life in this country and life in other countries . Where did Christopher Columbus sail? Is the earth flat? People Who are Special to Us –Jesus Christmas/Christmas Around the World/Nativity</p>		<p>ELG People, Culture and Communities Show interest in different occupations. Understand that some places are special to members of their community-The Church, The Mosque, the Synagogue. Name some religious symbols. Recognise some environments that are different from the one in which they live Antarctica Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and, when appropriate –maps. Compare polar regions Arctic circle - /Antarctica McMurdo base Recognise some environments that are different from the one in which they live -Polar regions/ Antarctica (Whiteboard globe/draw and follow a map of Antarctica for role play recreation of Scott Expedition. (Whiteboard globe/globe/atlas/world maps). (culture/music/art/stories/map/flag/school/capital city/landmarks/animals) People Who Help Us Chinese New Year/China (Whiteboard globe) Identify simple features of religious life and practice in a family context Chinese Food tasting Shrove Tuesday-pancake tasting Easter (Use the local area for exploring both the built and the natural environment -Visit to St Peter’s Church & listen to the bell ringing (Use their senses to investigate religion and belief) Recreate religious and belief stories through small world play. Use their senses to investigate religion and belief- Hot Cross bun/Easter egg tasting.</p>	<p>ELG People, Culture and Communities Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps. Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. Talk about what people wear because of their beliefs Arouse awareness of features of the environment in the setting and immediate local area :Post Office Walk-My Village (Draw and create their own maps using real objects, and/or pictures and symbols/Share play maps and small world to allow children to create their own environments. Use a simple map with symbols to spot features in the local community). Use appropriate words, e.g. ‘village’, ‘town’ ‘city’: Rocklands /Attleborough/Norwich (Draw and create their own maps of the village using real objects, and/or pictures and symbols/Name and locate different parts of the local community). Learn about what ships were like in the past. History of the sinking of the HMS Gloucester, trip to Castle Museum to the Gloucester exhibition Using a programmable toy/Create a simple algorithm for a floor robot e.g.: Bee Bots. -Beebot-to follow a map.</p>	Norfolk agreed RE syllabus	
	<p>ELG The Natural World Explore the natural world around them. Describe what they see, hear and feel whilst outside. Understand the effect of changing seasons on the</p>	<p>ELG The Natural World Talk about the differences between materials and changes they notice. Understand the need to respect and care for the natural</p>	<p>ELG The Natural World Talk about what they see, using a wide range of vocabulary. Understand the effect of changing seasons on the natural world</p>	<p>ELG The Natural World Understand the key features of the life cycle an animal. Understand the effect of changing seasons on the natural world around</p>	<p>ELG The Natural World Explore the natural world around them, making observations and drawing pictures of animals and plants. Understand the key features of the life cycle of a plant - Life cycle of a sunflower Know some similarities and differences between the natural world around them</p>	

EYFS Rocklands Curriculum Overview- Long Term Plan (LTP) Cycle A 2022/2023

	<p>natural world around them (Autumn). Use all their senses in hands on exploration of natural materials. Experience different types of scientific enquiry (Identifying, grouping, classifying- Minibeasts). Our senses. How are vegetables harvested? Exploring materials and processes. Waterproof/ absorbent materials- umbrella (3 Little Pigs). Floating sinking boats, exploring magnets</p>	<p>environment and all living things. Understand the effect of changing seasons on the natural world around them. Experience different types of scientific enquiry (Comparative and fair testing) Explore changes in states of matter Humpty egg experiment Learning about Arctic/Antarctic animals and how they are different to the animals we have in the UK. Forces-Pushes & Pulls. Experience different types of scientific enquiry (Observing over time). The Blue Balloon, balloon vehicles.</p>	<p>around them (Winter). Begin to make predictions and ask questions. Explore changes in states of matter (water/ice) Reflective materials Experience different types of scientific enquiry (Pattern seeking). Polar Regions- Learning about how our environment is different to polar regions. Pollution of the ocean</p>	<p>them (Spring). Plant seeds and care for growing plants (Mothers Day seed bombs). Lifecycle of a duck/chick Incredible eggs. Animals that lay eggs Science Week Experience different types of scientific enquiry (Research using secondary sources). Countries in the arctic circle – Greenland/Iceland culture/music/art/stories/map/flag/school/capital city, landmarks)</p>	<p>and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons (Summer) Rocklands/Attleborough/Norwich School Trip to Norwich Castle.</p>	
<p>Expressive Arts and Design</p>	<p>ELG Creating with Materials Explore different materials freely, develop their ideas about how to use them and what to make (Loose parts). Make imaginative and complex 'small worlds' with blocks and construction kits, such as a city with different buildings and a park. Painting Self-portraits Creating Harvest Art for Harvest festival (printing/collage). Drawing an Autumn tree. Use drawings to tell a story-Draw a story map for Rosie's Walk.</p>	<p>ELG Creating with Materials Draw with increasing complexity and detail (Seasonal Trees). Explore use and refine artistic effects to express their ideas and feelings – pencil drawing/paint/printing/textiles Junk modeling/collage Make a supertato. Children in Need craft.
